Sir,

Adverting to G.O.No. L. 5518-31/L.R.6-25-35 dated 13th March 1928 prescribing rules for the grant of scholarships by District Boards for Technical Education, I have the honour to state that Economic Committee of the District Board while recording the same at their meeting held on 24-8-28 feel that para 4 of the rules as it stands works very hard in cases where a scholars fails for reasons beyond his control -- such as sickness etc., and further recommend that in such cases, the scholarship may continue for another year at the sanctioned or at least at a reduced rate to enable him to get through the course.

This was approved by the Board at their meeting held on -- 25-8-28. Copies of resolutions are also herein enclosed for reference.

I, therefore request that the recommendation of the Economic Committee and the Board may be favourably considered and the rule -- amended accordingly.

I have the honour to be,
sir,
your most obedient servant,

H Venkatanna

For President, District Board,
Tumkur District.
